

## State Groupings for Technical Skills Strand: Breakout Two: Sat, 5/19, 2:00 - 3:00 PM

During this breakout states will be grouped according to how they responded to pre-DQI questions regarding their experience with technical skill assessment systems. Team members from both secondary and postsecondary will be teamed together, and will be able to jointly present their needs for clarity and assistance on those issues that cut across both levels (see accompanying technical skills issues checklist). It is hoped that by being with peers from other states, common concerns across analogous states will more easily be expressed.

Group:	Group A	Group B	Group C	Group D
<b>STAGE OF DEVELOPMENT:</b>	Very or Somewhat Experienced	Experienced with Some Methods or in Some Program Areas	No Experience Whatsoever, or Just Starting to Gain Experience	Did not submit answers to questions by May 10; some may be moved to other groups
<b>Note: Some states expressed differing degrees of experience at the secondary and postsecondary levels; a state was placed in a group based on having experience at one of these levels.</b>	Arkansas	Alaska	Colorado	Alabama
	Mississippi	Arizona	District of Columbia	California
	New York	Hawaii	Florida	Delaware
	North Carolina	Iowa	Indiana	Georgia
	Ohio	Illinois	Kansas	Idaho
	Oklahoma	Maryland	Maine	Kentucky
	Utah	Nebraska	Michigan	Louisiana
	Virginia	New Jersey	Minnesota	Missouri
	West Virginia	North Dakota	Montana	Nevada
	Wisconsin	Oregon	Vermont	New Hampshire
		South Carolina		New Mexico
		South Dakota		Pennsylvania
		Tennessee		Puerto Rico
		Texas		Rhode Island
				Virgin Islands
				Washington
			Wyoming
