2012 RPOS Grantee Meeting
September 18, 2012

RPOS Components: Strongest

- Accountability and evaluation systems
- Credit transfer agreements
- Guidance counseling and academic advisement
- Technical skills assessments

RPOS Components: In Need of Improvement

- Professional development
- Not an actual component – but need to improve dissemination

RPOS: Lessons Learned

- Variety of ways to implement rigorous programs of study – do what works for the students, schools, and communities while maintaining the integrity of the program
- Good partnerships are essential – cultivate those

Technical Assistance

- Professional development – what are others doing, how is it going?
- Dissemination – what are others doing, how is it going?
