The NSWG Planning Team will select quarterly meeting topics from a list of topics suggested by NSWG participants and OVAE staff. Flexibility will be used in selecting call topics so areas of NSWG participant interest are addressed. Some of the topics may need more time to address. In those cases, a NSWG sub-group will be formed to more fully explore the topic. Sub-group status reports will be given during the quarterly NSWG calls and deliberations shared with the full NSWG.

Suggested 2011-2012 NSWG Topic Areas

- RPOS development and implications for accountability
- Provide input to DATE on:
 - ✓ the remaking of a CTE/Perkins accountability system;
 - ✓ potential outcomes for the Accountability Congress;
 - ✓ balancing OVAE-DATE accountability needs with local capacity
- Updates on work from the Data Quality Campaign (DQC), Common Education Data Standards (CEDS), NCES Data Surveys, longitudinal data systems implementation (SLDS), and FERPA regulations

*The Next Steps Work Group (NSWG) is a voluntary information-sharing network comprised state CTE and OVAE Division of Adult and Technical Education (DATE) staff who share interest in the effective design and implementation of Perkins accountability systems. NSWG is an **advisory forum** to DATE's Accountability and Performance Branch and, when appropriate, may make recommendations for OVAE's consideration. Specific topic sub-groups may be formed as necessary to accommodate more in depth conversation. Call summaries are prepared and attempt to capture discussion, questions, and comments but are **not** intended to be a verbatim transcript or suggest OVAE policy.*
